Are you interested in becoming a governor of Branston Junior Academy?

Are you:

- ✓ Interested in helping to continually develop and improve Branston Junior Academy?
- ✓ Willing to share your knowledge, skills and talents?
- ✓ Able to work with others with an open and enquiring mind?

If you are able to answer 'YES' to the above three questions, then you may be the person we are looking for!

In return, we can offer:

- The pleasure of seeing children learn, develop and achieve
- A sense of achievement in making a difference to our pupils.
- The opportunity to work with our team of governors and staff in improving Branston Junior Academy
- An insight into the wider perspective of the academy through long-term planning
- A chance to develop skills in strategic management

No previous experience of being a governor is needed...just passion and enthusiasm for working with others to make Branston Junior Academy the best it can possibly be!

Please contact Branston Juniors to speak to the headteacher – Mrs Rachael Shaw – if you are interested.

If you are unable to help, please pass on this letter to friends, family, members of the local community or other people who you believe may be interested and/or may have skills and talents that we could benefit from.

Please note, all Governors are subject to a DBS clearance.
