Dear Parents and Carers

SLIME IN SCHOOL

It has been brought to my attention that one of our pupils has had an allergic reaction to the fluffy foam called "Slime", which was brought into school by another child.

Therefore, I am politely asking that all parents take this incident into consideration and ask that they do not allow their child to bring Slime into school, with immediate effect.

I hope you can all understand and appreciate why I have had to make this request, and that the safety of all our pupils is paramount at Branston Junior Academy.

Yours sincerely

Mrs Rachael Shaw
Headteacher
